Dear Parents and Guardians,

CPAC has received a fax from Cherrydale regarding the recall of products containing peanuts and peanut butter. Cherrydale used products from the Peanut Corporation of America, the company linked to the salmonella outbreaks, during our fund-raiser in September 2008. They very clearly state that there have been no consumer complaints; but they urge consumers to destroy the products, retain the Lot Code on the package(s), and contact their doctors about health concerns.

This letter is to inform our customers of Cherrydale's use of products from the Peanut Corporation of America and they should contact anyone who purchased these items to dispose of them and/or keep the Lot Code number.

Cherrydale / Cherrydale Farms / Bartons Brands Recalled:

0200 Peanut Crunch 6 oz.
5315 Dark Chocolate Peanut Butter Clusters
5473 Dark Chocolate Peanut Butter Clusters
4995 Trail Mix Bites 6.5 oz.
4991 Peanut Chocolate Bars 4.9 oz.
4995 Trail Mix Bars 4.9 oz.
4858 Nut Assortment 21 oz.

If you have any questions, please feel free to contact us either through the CPAC website or by calling the school. Our new phone extension is #11.

Sincerely,

Gina Matarazzo
